EuroPython 2021

Dublin, July 26 – Aug 1

Let's build it together!

EPS Board
EuroPython 2020 Online

EPS: Short intoduction

- Founded in 2004 in Göteborg, Sweden to provide the legal framework for the EuroPython conference series

- Managed the EuroPython location selection process for 2006, 2007-2008, 2009-2010, 2011-2013, 2015, 2017.

- Ran the conference since in 2014, together with the local organizers; since 2015 with on-site teams; since 2017 completely remote and without on-site teams

Purpose of the EPS

- Run EuroPython conference series

- Provide support for the European Python community
  - Conference grants
  - Project grants

- Protect IP in EuroPython
  - Trademarks
  - Logos
  - Social accounts

EPS Work Model

- Decentralized **work group model** of organization

- Work groups continue work across location changes: **reduce loss of institutional knowledge**

- **EPS takes on financial risk**, enters contracts, maintains sponsor relationships

- Local accountant to deal with taxes

EPS Structure

- Board

- Work groups (WGs)

- Members

- (EuroPython attendees)

Conference development

- 2002 Charleroi, Belgium, from June 26 - 28: **240**
